### Medication Policy

- A. Medication must be in the most current prescribed container with the child's name on the prescription label.
- B. Medication will be given according to the physician order.
- C. No medication will be given without written release form signed by the parent or guardian, and a written physician's order. Forms available in the nurse's office.
- D. No nonprescription drugs will be given at school.
- E. For long term medications, physician order and written release form signed by the parent or guardian must be renewed at the beginning of each year.
- F. Students who bring prescribed medications to school must register that medicine with the school nurse when he/she first arrives at school. Students shall not give or sell prescription or over the counter medication to another student at school or school activity. Students shall not purchase or receive prescription or over the counter medications from another student while at school or school activity. Students shall abide by all school rules concerning medication administration.

It is recommended that all medications be given at home when feasible.
