

Madison Parish School District

Mission Statement

The mission of Madison Parish Schools is to inspire and prepare scholars to pursue limitless college and career pathways by

- Promoting a challenging, student-centered instructional environment
- Providing 21st century educational experiences that reflect the diversity of a contemporary world, and
- Establish a culture of innovation, excellence and social responsibility within a safe and supportive environment.

Vision

The vision of Madison Parish Schools is to nurture the minds of our community's future leaders by establishing a tradition of determination, excellence and ambition that will change the world.

District Focus

- Improve teaching, learning, & results
- Recruit, Develop, Retain
- Create a positive image and culture
- Establish Community Partnership to help support scholars
- Showcase scholars and staff excellence
