Dear Parent,

Under the guidelines of the No Child Left Behind act you are entitled to inquire about certain information regarding the professional qualifications of your child's teachers.

- Whether or not the teacher has met Kansas licensing criteria for the grade levels and subject areas being taught;
- The baccalaureate degree and any other graduate certification or degree and the field of discipline of both;
- If the teacher is teaching under an emergency or professional waiver.

All classroom teachers at Elementary West meet the above criteria. Each one is licensed for the grade levels and subject areas being taught. Each one has a baccalaureate degree and none are teaching under an emergency or provisional waiver.

Additionally, you as a parent has a right to access state assessment results.

If you would like information pertaining to the qualifications listed above or access to state assessment results please contact me with your inquiry.

Sincerely,
