

White Deer ISD

P.O. Box 517, White Deer Tx 79097 806-883-2311

White Deer ISD has removed masks requirements for students, staff, and visitors on campus with the exception of route buses. Students riding district transportation to and from school are still required to wear masks. Students and staff members who wish to continue wearing facial coverings are certainly allowed to do so.

District employees remain committed to the health and wellness of our students and will continue with the disinfecting protocols and other disease mitigation practices that were implemented in August. We ask that parents and students continued the long standing practice of monitoring their own health and communicating with their campus when students are sick. All COVID guidelines regarding notice to the school and quarantine/isolation requirements by the state are still in effect.

WDISD will continued to adhere to state requirements and will communicate any changes as they occur. If you have any questions or need further guidance, please refer to the district's COVID Response Plan or contact your campus principal.
