November 5, 2021

Dear Bethel Families,

We have received numerous phone calls and emails regarding the receipt of Pandemic Electronic Benefits Transfer (P-EBT) cards issued through the Oklahoma Department of Human Services.

For the 2021-2022 school year, schoolchildren must meet two important eligibility requirements:

- Children must have been enrolled in a school district that participates in a federal meal program where meals are served at school.
- Children must qualify for free or reduced meals based on income and have turned in the free or reduced-priced meals application for your children's school, or be enrolled in a school that participated in the Community Eligible Provision, Provision 2 or Provision 3 federal program.

There is no application process for these benefits. Families will receive benefits automatically if their child has been identified to OSDE that a student qualifies. Please be advised that P-EBT cards were inadvertently provided to families that do not meet the above requirements. If you have received the P-EBT cards in error, please contact OKDHS at 405-522-5050 or 888-328-6551 or OKSDE website at [www.sde.ok.gov/pebt](http://www.sde.ok.gov/pebt).

Respectfully,

Dr. Matt Posey, Superintendent  
Bethel Public Schools
