

Policy Review and Evaluation

BFG

In an effort to keep its written policies up-to-date so that they may be used consistently as a basis for Board action and administrative decision, it shall be the policy of the Board to review its policies on a continuing basis.

The Board shall evaluate how the policies have been executed by the school staff and shall weigh the results. It shall rely on the school staff, students, and community for providing evidence of the effect of the policies, which it has adopted.

The superintendent is given the continuing mission of calling to the Board's attention all policies that are out-of-date or for other reasons appear to need revision.

From time to time, it will become necessary for the Board to amend, change or delete one or more of its policies. When this occurs, the new policy shall be adopted under the provisions of the Board policy BFC. It shall become effective as of the date of adoption or at a specific date specified in the policy. No policy or regulation herein contained shall be construed to constitute a contract of employment.
