

PIC Meeting Minutes 9-14-21

8 Present

Little Bulldog of the Month: Cowgirl Pizza is still offering the individual pizzas to PIC at a discounted rate. However due to cost increases and the adding the use of gifts cards, it was requested that PIC s price per pizza would be raised from \$2.50 to \$3.50. The committee agreed to this price increase for the school year. T-shirt colors were decided to remain red and white, in the design was agreed upon at the last PIC meeting.

Fundraisers:

Trash Bags: Information about Trash Bag Bundles was presented and discussed as possible fundraiser. Due to lack of time to prepare for it before October it was decided to hold on to this a possible fundraiser for next year starting in September or early October.

Spell-A-Thon: The fundraiser is set to be held in February same as last year. Ideas for prizes and rewards for students are needed.

Playground Improvement: The Parent Involment Committee plans to construct the Gaga Pit and create a full basketball court available to students. To move the plan forward PIC is getting a Scope of Work Plan put together with the school's maintenance department to ask for bids from contractors. Once we can get bids in from contactors, as well as costs of the items to be installed on the playground, we will be able to decide about how best to use the committee's money towards the playground improvements.

The Parent Involment Committee plans on contacting the City of Sundance on ways it could contribute to improvements that need to be made to the existing basketball court next to the school. Improvements made to this area could benefit our school as well as the community.

Next Meeting: Our next meeting will be Wed. 9-29-21 after school

PIC is requesting a meeting to be held on 10-8-21 after Purple Friday School with the Principle Hartwig and school staff to discuss PIC's Playground Improvement Proposal. Potluck style lunch would be hosted by PIC for School Staff, PIC committee, and kids present, because of their parents. Kids would be watched on the playground by older student volunteers during the meeting.

Agenda Items: Playground Improvement Proposals for Gaga Pit and full basketball court, preparation for PIC/staff meeting to be held on 10-8-21
