

PIC Meeting Minutes 9-14-21

6 Present

Vore Oct. Meals and Gift Baskets: As a show of support for this family that recently lost a father and a husband, Kati Sipe and Stevie Phillips have put together baskets to be given to the Vore family each week. Week 1-- Movie Night, Week 2 – Game Basket, Week 3 – Baking Basket, Week 4 – Spa Basket. These baskets are meant to be a way for mother and son to bond and let this family know the school is thinking about them. Baskets will be placed in the teachers' lounge for donations. PIC will contribute to the baskets as needed to help provide care and thoughts for this family. Kati is working to get a meal signup sheet for people to donate meals for the family as well.

Playground Improvement: The Parent Involvement Committee discussed the 3 scope of work plans to construct the Gaga Pit and create a full basketball court available to students. The cost is well above our budget, and we only have a few estimates from some contactors. PIC will have to add in costs of the items to be installed on the playground as well to the contractor estimates. PIC will present this information at the PIC and school meeting on Oct. 8 after Purple Friday.

The Parent Involvement Committee did contact the City of Sundance on ways it could contribute to improvements that need to be made to the existing basketball court next to the school. The City was very interested in work with us to make improvements to this area that could benefit school. However even here, the cost would be an issue.

Meeting with Staff:

PIC will be holding a meeting on October 8, 2021 after Purple Friday with Principal Hartwig and school staff to discuss PIC's playground improvement proposals. Potluck style lunch will be hosted by PIC for school staff, PIC committee members, and kids present, because of their parents. Kids can be watched on the playground by older student volunteers or PIC parents during the meeting.

A signup sheet is going to be sent out to have other parents help with the meal preparation. We are asking that items be dropped off in the gym at 11:45 prior to student pick up time that day.

Agenda Items: Playground Improvement Proposals for Gaga Pit and full basketball court, other options for the gaga pit.
