

EMPLOYEE RESIGNATIONS AND REFERENCE REQUESTS

It is the policy of the Fairview Board of Education that any employee may submit a written resignation from employment with the school district. The resignation must be written, dated, and signed. It must specify the date upon which the resignation is to be effective. The resignation must be personally delivered to the superintendent's office and an acknowledgment of receipt inscribed on the face of the resignation. Furthermore, it is the policy of the board of education that teacher resignations must be tendered no later than fifteen (15) days after the first Monday in June. The board of education designates that receipt of an employee's resignation by the superintendent is final and irrevocable.

Any individual who is a school employee, contractor, or agent of the school district is prohibited from assisting a school employee, contractor, or agent in obtaining a new job, if the individual has probable cause to believe that such employee, contractor, or agent engaged in sexual misconduct regarding a minor or student in violation of the law. This prohibition shall not apply if:

1. The information giving rise to probable cause has been properly reported to a law enforcement agency with jurisdiction over the alleged misconduct; and
2. The information giving rise to probable cause has been properly reported to any other authorities as required by Federal, State, or local law; and
3. The matter has been officially closed or the prosecutor or police with jurisdiction over the alleged sexual misconduct has investigated the allegations and notified school officials that there is insufficient information to establish probable cause that the school employee, contractor, or agent engaged in sexual misconduct regarding a minor or student in violation of the law; and
4. The school employee, contractor, or agent has been charged with, and acquitted or otherwise exonerated of the alleged misconduct; or
5. The case or investigation remains open and there have been no charges filed against, or indictment of, the school employee, contractor, or agent within four (4) years of the date on which the information was reported to a law enforcement agency.

The routine transmission of administrative and personnel files is not considered assisting a school employee in obtaining a new job and will be exempt from the requirements of the procedure listed above.
