ALLEN PARISH SCHOOL BOARD

August 10, 2021

Dear Citizens of Allen Parish:

At the August 9, 2021, School Board meeting, the APSB voted to approve the 2021-22 Back to School Plan.

Parents/Stakeholders can find a copy of the Back to School Plan on our APSB Website and Facebook Page. A part of that plan is to abide by the Governor's mandate to wear face masks in our school buildings.

Parents who object to their children wearing face masks have the following options.

- Complete Mask Accommodation Request Form with a valid physician's order and return to the Allen Parish School Board Office. *This is the only waiver that will be accepted by the Allen Parish School Board.*
 - This form can be found on the Allen Parish Website and Facebook Page.
- Complete the Virtual School Application and return to the Allen Parish School Board Office by the end of the work day (4 pm) on Friday, August 13, 2021.
 - This form can be found on the Allen Parish Website and Facebook Page.

The APSB strongly encourages face-to-face instruction for all of our students, and we look forward to beginning a successful school year on Thursday, August 12, 2021.

Respectfully yours,

Kent Reed
Superintendent
Allen Parish School Board
