TITLE 1 PROGRAM DESCRIPTION

Title 1, Part A- Improving Basic Programs Operated by Local Education Agencies (LEA) is a nondiscriminatory, federally funded program that provides supplemental funding to state and LEAs for quality education that will enable all children to meet the state's student performance standards. This program provides services for millions of our nation's children. Title 1, Part A supports schools in effective methods and instructional strategies that are grounded in scientifically based research. More recent changes in the law request added parent participation in the planning and the evaluation of Title 1, as well as the development of the District plans.

FAMILY INVOLVEMENT POLICY FOR THE DISTRICT

Every district that receives Title I funds must have a Title I Plan (Section 1112) including a parent involvement policy (Section 1118). Schools implementing Title I school-wide programs (Section 1114) must develop or amend their comprehensive plan for reforming the total instructional program in the school. Schools implementing targeted assistance programs must develop plans to address the academic achievement needs to identified students (Section 1115).

Each local education agency plan shall be developed in consultation with teachers, principals, and administrators (including administrators of programs described in other parts of Title I), other appropriate school personnel, and with parents of children in schools served under this part. Each LEA shall develop jointly with, agree on with, and distribute to, parents of participating children a written parent involvement policy that is incorporated in the LEA's plan. As a component of the school level parental involvement policy, each Title I school shall jointly develop with parents for all children served under this part a school parent compact that outlines how parents, the entire school staff and students will share the responsibility for improved student achievement and the means by which the school and parents will build and develop a partnership to help children achieve.

The Title I Director maintains a copy of this plan at the Title I office and keeps it on hand for monitoring purposes. The District Family Advisory Committee reviewed and revised the current plan on October 20, 2010. The new plan was issued to each school to disseminate to parents after that date.

Family Involvement Policy for Each School

Although Kinder High School is not a Title 1 school and therefore do not receive Title 1 funding, there are 6 types of Family Involvement/ Parenting Activities at Kinder High School with respect to Title 1 Plan (section 1118). These are communicating, parenting, learning at home, volunteering, and collaborating with the community and decision making, i.e. Senior Project, Culture Fair, Teacher Assistance, St. Vincent's Closet, Extra Curricula Assistance, Open House and Academic Awards.

TITLE IX COMPLIANCE

The Allen Parish School Board, along with all other school systems, will not exclude any students from any phase of the educational program or activity, including any class or extracurricular activity, on the basis of a student's sex, to include pregnancy, childbirth, false

pregnancy, termination of pregnancy, or recovery from any of the above, unless the student voluntarily requests participation in a separate portion of the program or activity.

Vocational Education Compliance

Allen Parish School Board adheres to the equal opportunity provisions of federal civil rights laws and regulations that are applicable to this agency. Therefore, no one will be discriminated against on the basis of race, color, national origin (Title VI of Civil Rights Act of 1964), sex (Title IX of the Educational Amendments of 1972), disability (Section 504 of the Rehabilitation Act of 1973), or age (Age of Discrimination Act of 1975) in attaining educational goals and objectives and in administration of personnel policies and procedures.

LEP- PARENT NOTIFICATION [Section 1112 (G)]

Based on assessment results, parents will be informed in a manner in which they can understand of their child's eligibility in a language instructional education program. The methods of informing parents may include a written letter in the parent's native language, a phone conversation through an interpreter, or a home visit. This information will include:

- Student's assessment information;
- Status of academic achievement;
- Methods of instruction to be used in the program;
- How the program will help the child learn English;
- How the program will meet academic achievement;
- **Student achievement level:** state assessment scores for individual students will be forwarded to parents or guardians either via student or mail once results are received from the Louisiana State Department of Education

Allen Parish School board will provide parents with the following:

- **Teacher/Para Qualifications:** Parents will be notified at the beginning of each school year that they have the right to request information regarding their child's teachers/para's qualification and certifications. The principal will notify parents or guardians of their child's teacher's/para's qualifications and certifications upon receipt of a written request by the parent or guardian.
- **Non-Certified Teachers:** Parents of students who are being taught by a non-certified teacher for a period of four consecutive weeks will be notified of that fact in writing through a letter sent by the school principal about conferring with the Supervisor of Personnel.
- **Student Achievement Level:** State assessment score for individual students will be forwarded to parents or guardians either via student or mail once results are received from the Louisiana State Department of Education.

What Are My Parents' Responsibilities When It Comes To My Education?

Besides ensuring that you attend school regularly, parents have other responsibilities. They can be criminally liable for your conduct in school. Parents should monitor and supervise your schoolwork and any educational activities in which you are involved. Parents are responsible for your immunizations as required by the state health officer.

Generally, the responsibilities of teachers and administrators are determined by your school's board of education.

What Are The Responsibilities Of Teachers And Administrators?

Teachers and administrators have the responsibilities to:

- Enforce the course of study
- Enforce the use of certain text books
- Support and enforce the rules and regulations required by the law
- Holds students responsible for their conduct going to and from school and at any school activity

Corporal punishment such as paddling may be used by the school personnel to maintain order and discipline in the school. Students can be temporarily or permanently removed from school for commission of serious violations of school policy and/or a Louisiana statute. The school system has a rulebook that outlines both required and prohibited behavior while on school property, school transportation, and during school-sponsored activities.

FERPA

Kinder High School complies with the Family Education Rights and Primary Act in that student records (academic and personal) are inspected only by parents, school officials, and students.

Parents and students currently in attendance have the following rights under FERPA:

1. To inspect and review the student's educational records,
2. To seek amendment of the student's educational records that the parent or eligible student believes to be inaccurate, misleading, or otherwise in violation of the student's privacy rights,
3. To consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that the act and Section 99.31 authorize disclosure without consent, and
4. To file with the department a complaint under Sections 99.63 and 99.64 concerning alleged failures by the educational agency or institution to comply with the requirements of the act and this part.

Procedures for Review of Records:

1. The educational agency will comply with the verbal or written request by the parent or student to have access to records within a reasonable period of time, but no more than 45 days after receipt of request.
2. If circumstances effectively prevent the parent or eligible student from exercising the right to inspect and review the student's education records, the educational agency will provide the parent or student with a copy of the records requested or make other arrangements for the parent or student to inspect or review the records.
3. No education records shall be destroyed if there is an outstanding request to inspect and review the records.

Procedures for Requesting Amendment of Records

1. The parent or eligible student may request the educational agency to amend the records if they believe the records contain information to be misleading, or in violation of the student's rights of privacy.
2. The educational agency shall decide whether to amend the record as requested within reasonable time after receiving the request.
3. If the educational agency decides not to amend the record as requested, it shall inform the parent or eligible student of its decision and of his or her right to a hearing under Section 99.21. The educational agency will comply with the disclosing of educational records according to Section 99.31 as outlined in the Allen Parish School Board Policy Manual.

SEXUAL HARASSMENT POLICY

The Allen Parish School Board recognizes that harassment on the basis of sex is a violation of state and federal law. The board, therefore, will not tolerate any sexual harassment on the part of any employee towards another employee or a student within the workplace. Conduct in violation of this prohibition shall result in disciplinary measure, up to and including dismissal.

Harassment on the basis of sex is defined as unwelcome sexual advances, request for sexual favors, and other verbal or physical conduct of a sexual nature when:

1. Submission to such conduct is made either explicitly or implicitly as a term or condition of any individual's employment/education.
2. Submission to or rejection of such conduct by an individual if used as a basis for employment/education decisions affecting the individual
3. Such conduct has the purpose or effect of unreasonably interfering with an individual's work/educational environment.

Incidents of sexual harassment may include verbal harassment such as derogatory comments, jokes, or slurs; or remarks or questions of a sexual nature; physical harassment such as unnecessary or offensive touching; and visual harassment such as derogatory or offensive posters, cards, cartoons, graffiti, drawings, looks, or gestures. Harassment does not only depend upon the perpetrator's intention, but also upon how the person who is the target **perceives** the behavior or is **affected** by it. Individuals who experience sexual harassment from co-workers or others should make it clear that such behavior is offensive to them.

It is recognized that instances occur within the school system involving individuals and personalities and these matters are best handled informally. In the event that an individual should have a problem, first discuss the issue with the individual's PRINCIPAL or IMMEDIATE SUPERVISOR. Should no resolution occur to the satisfaction of the individual after five (5) days, a formal complaint may be filed.

GUIDANCE SERVICES

There is a guidance counselor at Kinder High School. The counselor will see any student upon request and will interview all students in the high school at least once during the school year. The counselor is in charge of all standardized testing.

Our guidance program is a service to students and teachers. Students are helped in reaching decisions and formulating plans concerning their educational and vocational future. An opportunity is available to students to identify a problem and arrive at a possible solution. Information about professional skills such as required training, wages, and future outlook is available in scholarships, entrance tests, and loans. A file is kept on local after-school and summer vacation jobs and students interested should contact the counselor.

Through this program, students are given standardized tests to check their educational development level, mental maturity range, and major fields of interest. Counseling sessions are held with

students during the year to assess their guidance services information on the individual abilities and limitations of their students.

Parents, as well as teachers, are welcome to use these services in helping our students develop to their fullest potential as citizens of today and leaders of tomorrow. A parent command center PIN is available through the counselor's office.

SAFE & DRUG-FREE SCHOOLS and COMMUNITIES

The Allen Parish School Board is dedicated to providing a drug-free learning environment for the students attending schools in the district. Each student shall be specifically prohibited from being under the influence of, bringing on, consuming, or having his/her possession on a school bus, on school premises, or at a school function away from the school, any alcoholic beverages, intoxicating liquors, narcotic drugs, prescription medications, marijuana, nitrate based inhalants, imitation or counterfeit controlled substances, or other controlled substances as defined by state statutes, unless dispensed by a licensed physician as allowed by law. Any student found in violation of the above shall be suspended and/or recommended for expulsion by the principal.

Any violations of criminal laws, state or federal, committed on school property shall be prosecuted as provided by law. Any student who distributes, sells, or dispenses in any manner or form whatsoever a controlled dangerous substance as defined by state law to another student or anyone else while on the school premises shall be expelled pursuant to the provisions and guidelines as set forth in state law and Allen Parish School Board Policy.

The Allen Parish School Board has designated an area within 1,000 feet of any property used for school purposes by any school or on a school bus as DRUG-FREE and FIREARM-FREE ZONES. It is unlawful for anyone to use, distribute, be under the influence of, manufacture or possess any controlled substances or possess a firearm as defined by statute within these zones.

A list of all absentees will be sent, via email, to each teacher by the end of the first hour. Parents shall be notified by phone through the school messenger communication system. Teachers are to keep accurate attendance records for each class on the computer.

Students will be considered a LATE ARRIVAL (LA) when arriving between 7:50 am and 8:10 am. In the event of a prolonged illness, the student may be given consideration. In the event of an OSS, which is considered an Unexcused Absence, any work missed while serving the suspension.

There is no official skip day at Kinder High School. Parent permission to take part in skip day does not give the student the right to make up work in this situation. This absence will be considered unexcused and zeros assigned for all work missed.

A student who is absent during a regular school day will not be allowed to participate in any after school extracurricular/intra-curricular activity without an approved excused absence.

A student who is failing a class will not be allowed to miss the failing class to attend a school sponsored trip unless given permission by KHS administration.

Seniors must pay outstanding charges in order to participate in the graduation ceremony. Any student who has not paid his/her fees or dues by the end of the 1st 9 weeks may not be allowed to participate in any extracurricular activity until the fees have been paid.

Textbooks and Library Books

Damaged state-owned textbooks must be paid for according to parish guidelines. Textbook life expectancy is seven years, and any damage/loss incurred to the textbook must be prorated on that basis.

The fine is to be paid within ten days from the date loss is discovered. Non-payment of text or library book fees will result in midterm or final tests being postponed to a later date.

Student Vehicles/Insurance/Parking

All students who drive a vehicle to school must possess a valid driver's license, have proof of insurance, and purchase a parking permit in the front office. **The cost of the permit will be \$3.00 and must be visible in all student vehicles parked in the student parking lot.** The students must do this within the 1st 9 weeks of school or their driving privileges could be suspended until proper paperwork is completed. Driving your vehicle to school is a privilege. Any student abusing the privilege of driving his/her car to school will be denied all driving privileges for a length of time to be determined by the principal or assistant principal. When students arrive on the school grounds, they are to leave their cars and go directly to the building and not remain in the car. They will not go to the parking lot during the school day without permission from the office.

Bus Policy

The school bus is considered an extension of the classroom and will be respected as such. Discipline will be handled by the bus driver and signed behavior contracts will be kept on the bus. Noncompliance to the bus riding policy will be handled by the school administration. Due to the multiple routes and circumstances with COVID 19, no one may change buses at any time unless approved by the Allen Parish School Board office. Rules, regulations and procedures are found in the back, pages 32-34, of this student handbook.

Visitors

The school maintains a closed campus policy. Parents or legal guardians are always welcome, but are required to make appointments for conferences with teachers, the counselor, or the principal. If you need to check out your student, please call the office and we will have your student meet you out front. Because KHS is a closed campus, no food is to be brought into school unless accompanied by dietician's orders.

Cell phones

KHS will continue to use the Bring Your Own Device Cell Phone Policy. Cell phones must always remain on silent and only to be used for educational purposes during planned lessons that require technology in which school-issued Chromebooks do not suffice. Students may ONLY use their cell phones during lunch and outside of the building. Any device, including watches, laptops, etc., are NEVER allowed during any state testing.

Consequences are as follows:

Cell phone

1st- 1 ISI
2nd-2 ASD
3rd-1 Saturday School

Lockers

All lockers at KHS are of joint ownership between Kinder High School and the students. State laws mandate that if the school has combinations and pass keys, joint ownership occurs, and lockers can be searched.

Medicine for Students

No school-related person is allowed to administer medicine of any kind to any student without the proper forms being completed. Students are not allowed to have medication (including over-the-counter) at school.

Punctuality

All students are to be at school and in class on time. Students are not to be on campus or in any part of the building of KHS prior to 7:30 a.m. and should safely depart from campus immediately after the dismissal bell. Expectations are made for after-school activities.

Banned Items

Students are not allowed to have the following items at school: E-Cigs, matches, lighters, knives, and/or objects that can be used as a weapon. Radios, cameras, beepers, baseball hats, tape recorders, and/or electronic devices of any kind are allowed only upon approval of faculty and/or administration.

Once a student has reached 8 Minor Infractions, regardless of the time frame taken to reach those Infractions, he/she will be placed on Disciplinary Probation for the remainder of the school year. Upon reaching the 10th Minor Infraction, a Mandatory parent and student meeting will be held to discuss further consequences.

If for any reason your phone number and/or address change during the school year from what the school has on file, you are required to notify the school staff responsible for student files. Also, give your new information to the staff so they have accurate files on hand in case of school functions, parent notices, emergencies, etc. Please call the school at (337)-738-2886 or fax this information to: (337) 738-5665.

Withdrawal or Transfer from School

You must attend the public school in your district unless you receive permission to transfer or attend a magnet school. If you move, your parents must enroll you in school in the new district. At age 17, you may withdraw from school, but your parents must be notified. If you receive full-time instruction at a private school or through an approved home-school program, you do not have to attend public school.

If you are going to another school or your student will no longer be attending KHS, the parent or legal guardian of the student is to contact **Mrs. Cheryl LeBlanc** in the Counselor's Office immediately.

We cannot **withdraw or transfer** any student until all outstanding bills are paid in full.

Please note that your student will not actually be withdrawn from our system until we receive a request for records from another school/institution.
