

JH-Supply Fee

Dear Incoming 6th, 7th, & 8th Grade Parents,

Due to a variety of supplies existing in each Junior High classroom and some unique requests for the school year, Brock Junior High is asking for a school supply fee of \$50.00. We feel our classrooms will be better stocked at a less expensive price since we can buy them in bulk. Students will benefit by having the same quality products as their classmates; parents will benefit by knowing their children will have what is needed in each class, and teachers will benefit by purchasing exactly what we need for each child.

Parents will be responsible for purchasing a backpack, headphones, pens, pencils and highlighters.

Thank you,

Brock Junior High
