

# Attendance Policy Update

2018-2019

State and District policy requires students to be in attendance for at least 90 percent of school days in order to receive credit for courses in which the student is enrolled and completes with a passing grade. Therefore, for our first semester of 80 days, to be present at least 90 percent of the school days, the student could not miss more than 8 days of school. For our second semester of 77 days, the student should not miss more than 8 days.

An Attendance Committee review can be requested for extenuating circumstances (extended illness, bereavements, etc).
