

Update from Center Point ISD Superintendent

Center Point ISD will be closed starting March 23 through April 3 to support our community and health care professionals in the ongoing goal of containing the spread of the novel coronavirus, or COVID-19. Additionally, all extracurricular activities, practices and athletic events are suspended while we are closed.

We do not make this decision lightly. We fully realize it presents significant difficulties to working parents. However, we are hopeful that these measures will better ensure the long-term health and safety of children, staff, and the larger community.

CPISD is finalizing logistics on learning options and the distribution of food to address children's nutritional needs while school is out. More information and guidance will be made available on our website in the days to come. We will also take this time to further clean schools and buses and restock custodial and nursing supplies.

Additionally, CPISD asks the broader community to take the following reasonable precautions to prevent the spread of the illness:

- Don't shake hands.
- Wash your hands regularly.
- Limit movement within the community, especially avoiding crowded places and maintaining 3 to 6 ft of distance between people (at least an arm's length).
- If you are moving around in the community, don't congregate in large groups.
- For those who have traveled to areas with known COVID-19 cases – both inside and outside of the country – we ask that you self-quarantine and monitor for symptoms. Students who have traveled should plan to stay home for two weeks after arriving home. Please contact your campus to let them know, and this will be considered an excused absence.
- If you suspect you have [symptoms](#) of COVID-19, call your health care provider for medical advice .
- Keep your child at home if he/she feels ill, even if you think it is just a cold.
- Do not leave the house if you are ill, except to access medical care.

This is a quickly changing situation, and we will continue to monitor information, will assess conditions throughout this time, and will provide additional updates via our website and alert system.

Thank you for your support and cooperation as we ensure that all members of the community in Center Point ISD stay safe and healthy.

Sincerely,
Cody Newcomb
Superintendent
