Special Note About Supplies

We reduced the amount of supplies needed this year. Anywhere you see binder, paper, or common supplies, note they can be used across all classes. For example, there is no need to buy a binder for every subject. If your child's list presents a hardship, please know we understand and are here to help. You can confidentially contact Mr. Henson for assistance at 337-537-1555 or jerome.henson@vpsb.us

Scan for State Calculator Policy
