## **Wapsie Valley Hybrid Return to Learn Plan**

### Structure for COVID Cases

- District staff will provide remote learning for students who are currently quarantined. Instruction is directly aligned to the learning taking place in the classroom and aligns to current grade level standards being taught in the on-site classroom.

### Structure for Students Participating in Remote Learning Long Term as approved by district administration with medical documentation

- The district will partner with EdGenuity when medical reasons dictate a long term need to provide ongoing educational services. This option has to be confirmed in writing by a physician and supplied to a district office. Long term virtual learning is based on the state/district content standards and grade level scope and sequence to students who are learning remotely long term.
- The District Online Learning Coordinator will serve as the main point of contact for students and families.
- The District Online Learning Coordinator will set up and maintain all EdGenuity Online Learning Accounts
