

FEELING SICK?

NOW OFFERING HIGH-QUALITY TELEMEDICINE TECHNOLOGY IN THE NURSES OFFICE.

(Covered by most insurance companies)

We have partnered with TEAM Clinics to provide high-quality, immediate telemedicine to students at school, during school hours.

In-school TEAM Clinics expands the school's ability to serve their students by connecting school nurses, licensed healthcare providers, parents and students for efficient, immediate, high-quality healthcare.

With the use of telemedicine technology, the TEAM Clinics provider can access the child's medical needs and get them feeling better and back in class.
