

IDE Co-curricular and Extracurricular Activities

IDE

The board encourages the development of co-curricular and extracurricular activities for exceptional students compatible with these policies and in cooperation with member districts.

Special education students may participate in any activity or athletic event if eligible. Eligibility of the student shall be determined by the home district's building administrator using standards compatible with the standards established by the KSHSAA.

Adopted: Interlocal Board #638, Butler County, KS - 1/25/2016
