

JCAB Searches of Property (See JCABB)

JCAB

Administrators are authorized to search property if there is reasonable suspicion that interlocal policies, rules, or directives are being violated. In addition, all lockers shall be subject to random searches without prior notice or reasonable suspicion. All searches by an administrator shall be carried out in the presence of another adult witness.

Search of Lockers

Lockers in the interlocal attendance centers shall be under supervision of the building administrators. Students shall have no expectation of privacy in any school locker.

The combinations and/or keys to all locker locks shall be in the possession of the administrator and stored in a place designed to guard against unauthorized access or use. The administrator may search any locker at any time without notice. Students shall not place locks, other than those approved by the interlocal, on any locker.

Searches of Property

Any person other than the administrator who wishes to search a student's locker or property shall report to the administrator before proceeding. In no event shall any person be permitted to search a student's locker or property without the director or building administrator's consent unless the person has a valid search warrant authorizing a search.

If a law enforcement officer desiring to search a student's locker or property has a search warrant, the administrator shall permit the search, which shall be made in the presence of the administrator.

Prohibited items found during the search shall remain in the custody of
