

JHCAA Gang Intimidation (See JCAC,JCDA, JCDBB and JDD) JHCAA

Gang intimidation is the communication of any threat of personal injury to another, actual personal injury to another, or any threat of or actual damage to another's property. Gan intimidation on school owned or operated property, at school-sponsored activities, programs, or events, or which disrupt the school environment is prohibited.

Disciplinary action may be taken against any student for participating in gang intimidation or causing and/or participating in gang-related activities on school owned or operated property or at school-sponsored activities, programs, or events. District staff may be provided in-service training regarding gang behavior and characteristics to facilitate identification of students involved in gang activities.
