## Paris ISD Mission Statement

**The Mission of the Paris Independent School District is to provide a quality education to a diverse student population, enabling each to achieve full potential and become a productive, responsible citizen.**

## Paris ISD Board of Trustees and Superintendent Goals

Paris ISD will have a learning environment that challenges and provides opportunities for all students to succeed.

Paris ISD will be financially stable.

Paris ISD will foster positive relationships with the community, media, and families of the District.

## Paris ISD District Commencement Goals

At commencement, a Paris High School graduate will be prepared to enter college, technical training and/or the workforce. The graduate will:

<ul style="list-style-type: none"> <li>● Be a Problem Solver and a Critical Thinker</li> </ul>	<ul style="list-style-type: none"> <li>● Have respect for self, others, and the environment</li> </ul>
<ul style="list-style-type: none"> <li>● Have mastered Core Academic Areas and Technology</li> </ul>	<ul style="list-style-type: none"> <li>● Be an effective communicator</li> </ul>
<ul style="list-style-type: none"> <li>● Have explored the Arts and a Second Language</li> </ul>	<ul style="list-style-type: none"> <li>● Be a team player</li> </ul>
<ul style="list-style-type: none"> <li>● Strive for Total Wellness</li> </ul>	<ul style="list-style-type: none"> <li>● Be an honest, responsible citizen</li> </ul>
<ul style="list-style-type: none"> <li>● Be a Life-Long Learner</li> </ul>	

## Paris ISD Strategic Goals

### Goal 1: A self-disciplined student body, learning together in an atmosphere of mutual respect

**Objective 1.1:** The student attendance rate will exceed the state requirements of 90% or better for the school year 2016-2017 with at least 97%.

**Objective 1.2:** The number of students included in the Discipline Incident Count will be reduced by 10%.

### Goal 2: An informed and involved community that actively works together to promote education of recognized excellence

**Objective 2.1:** Crockett Intermediate School will continue to provide multiple opportunities for parents and community to participate in the educational process and realize a 10% increase in overall parent participation.

### Goal 3: Implementation of an aligned, rigorous curriculum that integrates technology and applies real-world skills

**Objective 3.1:**

- **{READING}** Work toward 80% of students are proficient readers by the end of 5th grade and continue to read on grade level every year thereafter and provide a challenging learning environment for each student as evidenced that 80% of all students and each student group, including and ELL students tested, will have an acceptable raw score on STAAR. Work toward 70% of students Meet or Exceed Progress Measure on STAAR.

- **{Math}** Provide a challenging math curriculum for every child, as evidenced with increased raw scores on STAAR. Ensure 80% of all students and each student group, including Special Education and ELL students tested, will have an acceptable raw score on all portions of the math STAAR to meet the state average. Work toward 70% of students Meet or Exceed Progress Measure on STAAR.
- **{Science}** Provide a challenging science curriculum for every child as evidenced that 80% of each student group, including Special Education, economically disadvantaged, African American, and ELL students tested, will have an acceptable raw score on the STAAR Science Assessment.
- **{Technology}** Provide technology support and equipment to ensure students will be emerging digital citizens as evidenced that technology is integrated in the classroom.

**Goal 4: Resources to provide an exemplary educational program**

**Objective 4.1:** Provide support for inclusion of special services and at-risk students in general educational setting as evidenced that 80% of all students and each student group, including Special Education and ELL students tested, will pass all portions of the state mandated assessment. 80% of English Language Learners will increase one or more proficiency levels in English.

**Objective 4.2:** Students at Crockett Intermediate School will continue to be provided opportunities for academic enrichment and social development.

**Objective 4.3:** 100% of core classes will be taught by certified teachers, 100% of paraprofessionals with Instructional duties will meet NCLB requirements and 100% Certified staff will be maintained.

**Objective 4.4:** 100% of teachers, principals, support staff and 100% of paraprofessionals with instructional duties will receive high quality, campus-based, and ongoing professional development in areas determined by the campus needs assessment.

**Goal 5: A highly certified, qualified staff representative of the community**

**Objective 5.1:** Crockett teachers will be provided staff development that will enable them to meet the needs of at-risk students and raise the academic achievement of all students.

**ESSA School-wide Program Requirements**

Those elements are:

Element 1- SWP Comprehensive Needs Assessment

Element 2- SWP Campus Improvement Plan Requirements

Element 3- Parent and Family Engagement Requirements

Strategies and activities that support the ten required school-wide program components in this plan are identified with the corresponding number 1 through 3 as listed above.

The school administrative staff, teachers, and counselors will provide individual student academic assessments results in a language the parents can understand including an interpretation of those results, to the parents of a child who participates in the academic assessments required by the State. Results together with an explanation will be sent to parents. Parents of students who are not meeting expectations will be asked to meet with the student’s teacher for a one-on-one parent-teacher conference.

### Federal, State and Local Funding Sources

Federal funding sources that will be coordinated with State and Local funds to meet the needs of all students and upgrade the entire educational program on the campus are listed below. The intent and purpose of all coordinated funds will be met.

- Title I, Part A School wide Program Campus                       Non-Title I, Part A Campus

Program/Funding Source		
<b><i>Federal Programs 2020-2021</i></b>		
Program	Allocation Amount	FTE(s)
Title I, Part A	\$248,205.00	2.0
Title I, Part C (Region 8 Migrant Cooperative)	Reg. 8 SSA	0
Title II, Part A (TPTR)	\$22,201.00	0
Title III, Part A (LEP)	Reg. 8 SSA	0
<b>State Programs/Funding Source</b>		
State Compensatory Education <i>(Supports Title I School wide Program funds)</i>	\$221,824	4.58
Gifted Education	District wide as needed	
Special Education	District wide as needed	
ESL Program (supplementary)	District wide as needed	
<b>Local Programs/Funding Source</b>		
Dyslexia	Dyslexia teachers locally funded	
Bilingual/ESL	Dilingual/ESL teachers locally funded	

The Crockett Intermediate School uses its ESEA, Title I, Part a program funds to implement a school wide program to upgrade the entire educational program for the benefit of all students.

The school will coordinate all the following funds to implement the school wide program:

ESEA, Title I, Part A	Special Education	State Bilingual/ESL Funds
ESEA, Title II, Part A	State Compensatory Education	General Operating Funds ESEA, Title III, Part A LEP

## **Comprehensive Needs Assessment Summary 2021-2022**

The Crockett SET committee met in Google Meet on April 28, 2021 to begin the process of planning for the 2021-2022 school year. Federal Programs Staff met with SET to discuss current year data and any changes for the Campus Plan process for the upcoming year. Parent Survey, Staff Development survey results and funding amounts were shared. Karol Ackley, presented resources for creating the CNA Summary and formulating the CIP.

### **School Profile:**

Paris is considered a rural school in location but has many similarities with urban schools. 71% of Crockett students are economically disadvantaged. As a solution to one of the key factors affecting low socio-economic students, Paris ISD participates in the Community Eligibility Provision. This program allows all Paris ISD students free lunch & breakfast. Paris ISD also have multigenerations of students that have attended Paris ISD. This allows school staff and district staff to build relationships with entire families and meet Social Emotional Needs of our students.

During the summer Covid surged again. Schools made adjustments on the fly trying to follow CDC and TEA guidelines. HB 4545 had several areas that impacted planning for the 2021-2022 school year. As we adjust to the changing guidance, we will amend the CIP where needed.

Teams\Teachers will continue focusing on positive parent contact and coordination of communication. Each Team/Teacher will set up a Remind Group for parents. Team and Campus newsletter are posted online weekly on the Crockett website. Social Media accounts also share important information. Students also have an announcement system in school that celebrates accomplishments, shares “This week in History” and upcoming events. Each Friday Student Council puts together a video version of Cat Chat.

One of Paris ISD’s biggest strengths is the diverse community we serve. The rich diversity in our school provides many opportunities for students to develop compassion, empathy and communication skills. Crockett utilizes federal and state funds to provide additional support to our economically disadvantaged and At-Risk populations. As a school-wide Title I campus we can ensure that the educational needs of every student is met.

Ethnic Distribution		Sub-Groups	
White	32.16%	Economically Disadvantaged	70.98%
African American	32.35%	Limited English Proficiency	14.60%
Hispanic	24.40%	A-Risk	51.20%
Two or More Races	9.61%	Gifted & Talented	15.90%
Asian	0.92%	Special Education	16.27%
American Indian/Alaskan	0.55%	504	14.51%

Crockett works hard to build relationships to create a cohesive learning community. Our District Commencement Goals stress a combination of academic and personal skills. Intermediate age students are between being children and teens, and they need instruction on building a community of learners that respect each other. The last 2 years have been emotional for students and school staff. The Social Emotional Needs have become more important than ever. There are few serious discipline offenses and that points students feeling safe and emotionally connected to our learning community here at Crockett.

Teachers and students felt some disconnect during 2020-21 due to close contact protocols and mask mandate. As we approach the beginning of the school year, it looks like we will still have to adhere to some of the same protocols. Several areas are back to pre-pandemic procedures. The library is back to flexible open access, lunch and recess have been restored to a normal time for students to socialize.

**Staff Quality, Recruitment and Retention:**

ParisISD has had a growing ELL population for many years. Crockett has not been able to find certified Bilingual teachers for grades 5-6 in several years. Crockett has bilingual paraprofessionals and classroom teachers with ESL certification working with students in the ESL/Bilingual Program. Crockett continues to search for certified Bilingual teachers for the program. Finding a person that is a strong teacher with English and Spanish is a huge challenge. Recruitment of certified bilingual teachers will continue to be a priority. Stipends are paid for teachers working with Bilingual students but the stipends don't compete with larger school districts in metropolitan areas. In the event that our efforts to hire certified bilingual teachers falls short, staff will be carefully selected for their ability to work with special populations. Teachers are given many opportunities for ESL specific training to help them meet their student's needs.

Teacher demographics do not match the student population. Recruiting effort is focused on interviewing applicants that mirror our student population. Staffing a campus with appropriately certified staff is always a challenge and the pool of applicants for grades 4-8 is shrinking. ParisISD strives to provide teachers with competitive pay, benefits and work environment for our county. Stipends for many extracurricular activities and longevity pay are designed to keep qualified staff. Crockett strives to interview all qualified candidates. Interviews with potential staff members focus on the ability to work with adolescents in addition to the content. It is paramount to have teachers that are "kid-friendly". Crockett has certified support staff to work with teachers and students. Paris ISD offers quality staff development in a variety of topics.

Technology has been the main focus since 2020 and will continue into the 2021-2022 school year. Summer staff development options offer teachers ways to enhance the basic skills they learning during pandemic teaching. Teachers have requested additional training in the following areas: Technology (Google Classroom, InSwan Document Camera,EdPuzzle Pro, formative assessment tools), classroom management, and strategies for working with at-risk student.

Number of Teachers	Years of Experience
4.8	Inexperienced Teacher, Principals and School Leaders
1.0	Teachers teaching with emergency or Provisional Credentials
4.7	Teachers who are not teaching in the subject or field for which the teacher iss certified or licensed

**Curriculum, Instruction and Assessment:**

No accountability scores were given to districts due to Declared State of Disaster. SSI was suspended for 5th grade and all students took STAAR one time. Results did not show as big a learning gap as we thought it would.

Grade/Subject	2021- Did Not Meet Standard	2021- Approaches, Meets or Masters
5th Math	35%	65%
5th Reading	38%	62%
5th Science	41%	59%
6th Math	38%	62%
6th Reading	42%	58%

With the implementation of HB 4545, had many guidelines to help students recover from learning gaps created since March 2020. Providing tutorials during the school day is just one intervention. The school schedule was re-worked to add time for mandatory individual and small group intervention. Crockett previously had students that did not meet STAAR standards attend an intervention class with a certified specialist. Staffing 4 intervention teachers was impossible for the 2021-22. The one intervention teacher we have is going in classes to work with students.

Crockett has 16.27% of students identified as Special Education. Most students are served in an inclusion setting. A small number of students attend a functional skills class with limited time in mainstream classrooms. Inclusion students struggle to make gains in reading, math and science. The ARD committee made decisions based on the most recent data for each student’s testing situation.

Instructional staff uses DMAC to disaggregate data from STAAR and benchmarks. Unit Assessments are studied during planning PLC to determine what strategies are effective for the students. Teachers have a data wall in the PLC room to help them visualize where there student are after each assessment.

**Organizational Structure and Process**

Teachers work with an interdisciplinary team and a subject specific team. Team planning time is spent on staff development, parent contacts & communication, Response to Intervention tracking, problem solving, and curriculum connections. Subject departments meet weekly to plan instructional activities for the week. Instructional Coaches ensure that all teachers have resources and knowledge for quality instruction. Sharing of ideas, data and resources help all teachers have quality instruction. Teachers also use planning time to check in on students in ISS to be sure they understand the Google Classroom assignments that have been assigned to them. When work is completed in ISS, the Chromebook is put up for the day.

Students have several options for enrichment- UIL academic competition, Future Problem Solving, National Elementary Honor Society, K-Kids, Beginning Band, Choir, Art and Student Council. While a large number of students participate in activities, there are few students that are economically disadvantaged participating. Crockett will explore what the barriers are and how they can be addressed. Transportation may be a barrier that can be fixed. Another barrier to this has been health protocols instituted.

Crockett also has a large group of students identified as Gifted & Talented 15.9%. Gifted & Talented students are served in Talent Pool classes and attend a weekly pullout program, Socrates. Socrates serves identified students with enrichment focusing on higher-level thinking, service projects and Future Problems Solving competition.

**Parent and Community Involvement:**

The number of responses for Crockett Parent Survey was very low with only a few parents responding. Survey was posted online, advertised in campus communication, and communicated through School Messenger. Parents that did respond were generally happy with their experience at Crockett. Many virtual options for parent involvement have been added this year. Following health protocols, no parents or visitors were allowed on campus.

**Technology:**

Each classroom is equipped with tv monitor, laptop, document camera, and 1:1 student Chromebooks. Art, Band and Choir have sets of Chromebook for students to use. Teachers and students use Google Apps for education for collaborative projects. The library has incorporated eBooks and electronic resources. Clever, Single Sign on Service, has been added. Clever will streamline student access to all the programs we utilize. Wireless access points for mobile devices have been upgraded to handle the amount of wireless devices for the future. Teacher collaboration has been effective with

them teaching each other how to record lessons and share to Google Classroom. Crockett teachers continue to find new ways for students to engage with technology. We have added several extensions and sites to help provide engaging content.

Large Monitors mounted in the hallway are used for announcements, student shout outs, This Day in History and content from the counseling staff. A monitor in the cafeteria shows “Lunch, Laugh and Learn” a combination of jokes, puns, history, and trivia.

## 2021-2022 Top Priorities

*After extensive data collection and analyzing the data, the SET committee decided to highlight the following Strengths, Needs and Initiatives:*

Strengths	Needs/Weaknesses	Priorities/New Initiatives
<ol style="list-style-type: none"> <li>1. Focused on Student Growth (academic and Social-Emotional)               <ol style="list-style-type: none"> <li>a. Improvement vs Passing</li> <li>b. Free breakfast and lunch for all</li> <li>c. Common Assessments in all content areas that are aligned with TEKS, instruction, and use STAAR format. Track growth between assessments, BM, and Mock celebrating incremental growth</li> <li>d. DMAC Data from assessments drive planning in PLC</li> <li>e. Team Structure to bridge elementary to secondary</li> <li>f. Crockett Care Closet</li> </ol> </li> </ol>	<ol style="list-style-type: none"> <li>1. 6th grade needs another elective- tech, coding, robotics, STEM, Career investigations               <ol style="list-style-type: none"> <li>a. Changing the 6th-grade schedule so students can mix up a little and get some independence. This might reduce the discipline issues that crop up with 6th graders.</li> <li>b. 5th grade could have another elective and spend 9 weeks in each one</li> </ol> </li> </ol>	<ol style="list-style-type: none"> <li>1. Bring back shout-outs, Multicultural Awareness, and utilize televisions for engaging content in subject areas               <ol style="list-style-type: none"> <li>a. subject area trivia, vocabulary, and concepts shared on monitors in the hall with announcements.</li> <li>b. ethnic/ multicultural programs that are student-centered.</li> <li>c. assemblies/Fun Friday and let students have some say in the planning. Students that are behind on work or failing stay in a class and use the time to catch up on work. Could help with implementing a “No Zero policy.” Hold students accountable for grades</li> </ol> </li> </ol>

<p>2. Technology</p> <ul style="list-style-type: none"> <li>a. 1:1 Chromebooks</li> <li>b. Teacher technology to meet the needs of engaging lessons, differentiation, and collaboration.</li> <li>c. Teachers are still using all the great tech resources they learned during the 2 previous years.</li> <li>d. Staff development in technology and resources available to teachers and students</li> </ul>	<p>2. Changing 6th-grade schedule so students can mix up a little and get some independence. This might reduce the discipline issues that crop up with 6th graders. 6th graders are underprepared for PJH.</p>	<p>2. Investigate a program that monitors Chromebooks. Many students are off task and going to sites that are not assigned. Teachers cannot catch every student off task. There are too many game sites that students can access that aren't caught by the filter. Is it AUP violation or classroom discipline?</p>
<p>3. Teacher/School to Parent Communication</p> <ul style="list-style-type: none"> <li>a. cis.parisisd.net</li> <li>b. Remind,</li> <li>c. Print newsletters,</li> <li>d. Intervention for students that did not meet STAAR standard.</p> <ul style="list-style-type: none"> <li>a. Using FEV tutoring during WIN time to meet HB 4545</li> <li>b. After school tutorials for STAAR based on assessment results</li> <li>c. Small group instruction in the classroom</li> </ul>	<p>3. Some groups of students are not making adequate progress - Special Education students, At-Risk students, and Students that are more than 3 levels behind.</p> <ul style="list-style-type: none"> <li>a. Creative use of WIN time in addition to small group differentiation will help most.</li> <li>b. Some special education students need services between functional life skills and Inclusion.</li> <li>c. Maybe set up a "Reading Rescue Club" that could be taught by teachers during their extra 45 minutes.</li> </ul>

		<ul style="list-style-type: none"><li>d. exposure to diverse reading materials in the classroom and library</li><li>e. Record re-teach lessons and assign through Google Classroom</li></ul>

## **Attachment B: Assurances and Good Practices**

### **State and Local Effort**

State and local funds are used to provide the regular program of instruction for all students to include general operating costs of instruction, which includes expenses related to buildings, maintenance, and utilities, as well as salaries and related expenses for instructional and support staff and instructional materials.

### **Improvement and Enhancement**

State Compensatory Education funds are used to improve and enhance the regular program of instruction for students who are at risk of academic failure or of dropping out of school as defined in the state rules and Paris Independent School District's at-risk criteria.

### **Coordination of Funding**

All federal, state and local funds received by the Paris Independent School District will be coordinated to ensure that all of the programs are operated in an certified and efficient manner. All students are guaranteed equal access to all foundation programs and services. The integrity of supplemental programs is maintained.

### **Coordination of Instruction**

Instruction will be coordinated between and among regular classroom teachers and special program staff who are serving students in the same content area. Instructional coordination will be skill and concept specific for activities that include assessment, instructional activities and on-going monitoring of student progress. Special emphasis is given to collaborative planning between regular classroom teachers and the staff of the special programs.
