July 26, 2021

Roff Students and Parents,

After a challenging but successful school year in 2020-21, Roff Public School is planning to give students and teachers the option to wear a mask, per Senate Bill 658. Because of variants and other unforeseen factors, requirements could change with guidance from county and state entities. It is our plan to serve our students and staff in the cafeteria while practicing social distancing when applicable. We also plan to transport our students, as years past, with attention to distancing when applicable. Lockers will be open in respective buildings.

Roff School is planning to be open for in-person learning for the 2021-22 school year. There will be a virtual option to be done through our chosen programs. Additionally, each student planning on virtual learning must complete a virtual application with approval from the district. Roff Public School will continue to monitor local health levels and adjust this plan accordingly. We will be hosting a 'Meet the Teacher' night on August 5<sup>th</sup>, from 6-7pm. Our 1<sup>st</sup> day of school is August 9<sup>th</sup>, from 8:00-3:35. We appreciate the support from our students, staff, and community.

Go Tigers,

Ead Simon  
Superintendent
