100 North Broadway, PO Box 157 Roff, OK 74865

1. Question: How the LEA will use the funds it reserved under section 2001(e)(1) of the ARP Act (20% of ESSER ARP ACT formula funds) to address the academic impact of lost instructional time?

Answer: To utilize funds for this 20% we plan to purchase 2 intervention programs. Alpha Plus will be used in grades K-8 and Mastery Prep in grades 9-12. Additionally, we will implement tutoring, provided by our teachers, for all grades after school from 3:45-4:45 daily.

2. Question: How the LEA will spend its remaining ARP ESSER funds consistent with the uses authorized in section 2001(e)(2) of the ARP Act?

Answer: To utilize the remainder of the funds we plan to vary our spending listed below:

- Pay the salaries of added employees designed to lower class sizes and increase social distancing opportunities.
- Purchase equipment, such as desks and chairs, that will help with social distancing.
- Replace certain HVAC units to keep air clean and healthy.
- Pay insurances and utilities which have increased at this time.
- Pay staff for extra training related to the pandemic.

3. Question: How the LEA will ensure that the interventions it implements, including but not limited to those implemented under section 2001(e)(1) (20% set-aside), will respond to the academic, social, emotional and mental health needs of students.

Answer: Roff School will continually assess students to find gaps and weaknesses in all learning areas regardless of race, income and living situations This testing will not be specific to any group but cover K-12. Testing will focus on the learning loss created from the impact of lost seat time and virtual learning due to COVID 19.
