

Get help with expenses health insurance doesn't cover

Aflac for Bland ISD employees

Are you among the 57% of Americans who've had to pay an unexpected medical bill?¹ Did you think, "But I have health insurance. I should be covered?" That's why there's Aflac. We can pay you cash directly to help cover that bill or any other expense you may have. Aflac helps provide you with peace of mind when you need it most.

These Aflac supplemental plans are now available to you.

Accident: Accidents happen. When a covered accident happens to you, our accident insurance policy pays you cash benefits to help with the unexpected medical and everyday expenses that begin to add up almost immediately.

Critical Illness (Specified Health Event): Helps with the costs of treatment if you experience a covered health event, such as a heart attack, stroke or paralysis.

Hospital Confinement Indemnity: Hospital stays are expensive. An Aflac hospital confinement indemnity insurance policy can help ease the financial burden of hospital stays by providing cash benefits.

Cancer/Specified-Disease: Helps cover expenses from initial diagnosis of a covered cancer, through treatment and follow-up visits.
