

Screencastify is a Chrome extension that allow the recording of one's screen, whether it be a specific tab, the entire desktop, or the webcam video. The Screencastify Google Extension has been pushed to all teachers' Google accounts.

Screencastify's free version only allows up to 5-minute videos to be produced.

Between now and **April 30, 2020**, Screencastify is allowing teachers to use the **unlimited** version, which allows for unlimited recording with more editing features. However, teachers must initiate the version themselves by using the code below.

To activate Screencastify Unlimited access, follow these instructions:

- [Visit this page](#) and click "Redeem coupon" (under the Next Billing Date)
- Enter code **CAST_COVID**
- Click "Activate License" (no credit card required). Ignore the Next Billing Date - that will be incorrect

[Here's a quick video](#) that demonstrates these steps.

Classroom Resources

A collection of everything you'll need to get the most out of Screencastify.
