

Jefferson Academy Technology Plan

Jefferson Academy will ensure all students have access to teachers, lessons, and assignments through online platforms such as Canvas, Zoom and/or other platforms determined by administration.

Teachers, students, and parents will be provided training to effectively use all online platforms or programs used by JA as needed.

Students who do not have access to a device, will be allowed to check one out from the school, and parents will need to sign a form stating they will be responsible if the device is damaged or broken.
