

Rotan Independent School District

A PLAN FOR SAFE RETURN TO IN-PERSON INSTRUCTION AND CONTINUITY

Rotan ISD is proud to have maintained the full opportunity for in-person instruction for all students since August of 2020. Thanks to the support of the Rotan ISD's faculty, staff, students, parents, Fisher County Hospital and community, we developed this plan during the summer of 2020. With full consideration of feedback from local health officials, parents and the community of Rotan, TX, we have persevered throughout the year, despite the occasional setback, to keep students in school and to maintain open lines of communication with our entire school community.

For the 2021-22 school year, full in-person instruction will continue, along with expanded services, activities, and extracurricular programs. This statement is meant to satisfy the requirement for accepting additional funds through the American Rescue Plan (ARP) and the Elementary and Secondary School Emergency Relief (ESSER).
