

DISTRICT ASSESSMENTS

K-2 Assessment

Purpose and Use -

Academic Content Assessed - Reading/Language Arts, Math, Listening.

This test is given to help measure how much a student grows academically over the course of the school year.

Optional Dates of Test Administration – April 27 – May 1

Results to Students and Parents – Individual Student Reports are sent to the district by mid-summer. Reports are sent home to parents at the beginning of the school year.

DISCOVERY EDUCATION (K-12)

Purpose and Use –

- Predict proficiency for Reading, Language Arts, Math and Science, and Social Studies in select states
- Screen students to identify risk for academic failure
- Measure academic growth within and across years
- Monitor progress on state standards and Common Core standards
- Analyze student performance using reports that show proficiency, state and national percentiles, percent correct, item difficulty, and content mastery

Optional Dates of Test Administration – 4 times per year: August 25 - October 3, November 3 – December 19, February 2 – March 13 and April 13 – May 22.

PathDriver K-8 (coming soon)

Path Driver for Reading™ offers a highly accurate and predictive measure of your students' reading proficiency including:

- * Quick, reliable, and precise general outcome measures for K-10 that can be used with any curriculum
- * Proven efficacy to improve student outcomes through regular screening and progress monitoring
- * Time-saving scheduling, reporting, and collaboration tools that help schools increase capacity for data-driven instruction

Path Driver for Math™ is a powerful online assessment system that provides a highly accurate and predictive measure of a student's foundational understanding of mathematics. Path Driver for Math offers:

- * Quick, reliable, and precise general outcome measures for K-10 that can be used with any curriculum

Time-saving scheduling, reporting, and collaboration tools that help schools increase capacity for data-driven instruction.
