Bulldog Nation,

We are excited to announce that during the month of May, we will be reopening our campuses to parents and families for specific events. Campus administrators will be specifying which events will be open for visitors in student notes and announcements. Information will be shared through enotes and social media, as well.

Please help us keep our students safe and healthy by being aware of your own health concerns and risks. If you are showing ANY signs or symptoms that could be associated with Covid-19, please stay home. It is our desire to have you involved and on our campuses, but as always, student health and safety is our primary concern.

Thank you for your assistance in this. We can't wait to see you in #theclTy.
