Please pick up your money box at the business office before 3:00 if you are responsible for the first shift. The coaches will have the money boxes on Saturdays and for the 3 tournaments. If you are working the tournaments, please STAMP the hands of those that have paid so that they may go back and forth between the gyms. Please report for duty at the times that are specified above. You may trade duties if you wish, but you are responsible for the time period listed until you inform Leticia Salazar of any changes/trades that you make.
