

Parents Right to Know

2020-2021

In compliance with the Parents Right to Know requirements in the Elementary and Secondary Education Act (ESEA), the following notification is being distributed.

Parents may request information regarding the professional qualifications of the student's classroom teachers, including, at a minimum, the following:

- Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived;
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Secondly, Title I schools are to notify each individual parent when his or her child has been assigned, or has been taught for four or more consecutive weeks by, a teacher who is not highly qualified.

Any parent wishing additional information should contact Tavis Desormiers, Superintendent of USD 208, at 743-2145.
