School Plan 2020-2021 - Morgan HI

Want to add another goal?

Goal #1
Goal
We will improve our summative math scores by 5% through the addition of a part-time math teacher to lower class size which in turn increases differentiation.

Academic Areas
- Mathematics

Measurements
The data collected from pre and posttests in conjunction with state summative assessment data will be analyzed for the desired growth in May of 2021.

Action Plan Steps
Hire and retain a part-time math teacher capable of providing the necessary tutoring and support needed for students at all levels.

Goal #2
Goal
It is the goal of Morgan high school to implement an alternative school program, Morgan Unified Learning Center, so that students behind in credits will recapture 75% of missing credits throughout the year.

Academic Areas
- Reading
- Mathematics
- Writing
- Technology
- Science
- Fine Arts
- Social Studies
- Health
- Foreign Language

Measurements
Administration, counselors, and MULC teachers will evaluate monthly student credit deficits and compare credit recovery completions against the desired goal of 75%.

Action Plan Steps
Hire and retain an alternative program specialist who will work with an Edgenuity specialist and the Americorps teacher. All three individuals will work collaboratively to provide curriculum, supervision, and a motivational alternative placement for struggling students.
Core teachers will stay current in providing up to date curricular resources to students which will improve passing rates by 5%.

### Academic Areas
- Reading
- Mathematics
- Writing
- Technology
- Science
- Fine Arts
- Social Studies
- Health
- Foreign Language

### Measurements
1. Textbooks will be purchased.
2. Passing rates will be compared to prior year to evaluate growth.

### Action Plan Steps
1. Purchase Textbooks
2. Evaluate student progress at the end of each trimester

Goal #4

All teachers will receive targeted training to implement research-based practices in conducting powerfully effective professional learning communities focused on developing essential standards, grading practices, and formative and summative assessments aligned with standards. These outcomes will help create and implement effective intervention strategies which will increase student cumulative GPA by 3%.

### Academic Areas
- Reading
- Mathematics
- Writing

</tbody>
</table>
The Estimated Distribution is subject to change if student enrollment counts change.

**Funding Changes**

There are times when the planned expenditures in the goals of a plan are provided by the district, a grant, or another unanticipated funding source leaving additional funds to implement the goals. If additional funds are available, how will the council spend the funds to implement the goals in this plan?

Additional funding would be used to purchase needed textbooks and online textbook/curriculum licenses.

**Publicity**

- School newsletter
- School website

**Need to add an attachment?**

You may add documents here that support the text description in the Measurement section of each goal.

**Review before Submitting**

After submission, you may not make changes unless the district or School LAND Trust Administration unlocks the form. Districts review and finalize submitted plans and amendments. Finalized forms are not editable. A council may add an amendment.

- This form is ready for display on the public website. Spelling and grammar are correct. Student names and individual data are not included.
