MHS Community Council,

With Community Council meeting dates and recent adjustments to Trust Land timelines, we gathered our PLC Guiding Coalition and created a draft of our TSSA and Trust Land Plans. I will present these at board mtg tonight for approval. We will then discuss the plans at our next meeting for official adjustment and approval. Should we decide to amend the plans after our discussion we can submit an amended plan to the governing board for approval. We will then meet our submission deadline in May.

Thank you for looking over this and adding your thoughts.
