Hoehne High School
Community/Public Service Documentation

Students at Hoehne High School as part of their graduation requirements are asked to perform community/public service. This requirement is an effort to teach students that quality of life in one's community remains high only if people give of themselves to that community. Community/public service promotes involvement, offers a chance for the student to learn valuable communication skills and provides legitimate help to the community as well.

Name of student: _____

Nature of the Community/Public Service: _____

Number of clock hours engaged in the activity _____ hours.

Signature of the supervisor or sponsor of the activity: _____

- Community/Public Service Approved.
- Community/Public Service Not Approved.
