

The Paint Rock Independent School District is currently accepting bids for the following projects:

Project Summer 2021 #1 (Pole Vault Pit Storage)-

The Paint Rock ISD is accepting bids from companies to provide/build a storage building on site outside the existing new track for the easy storage of the school's new pole vault mat and equipment from the elements. The storage opening must be wide enough to easily move the mat and equipment in and out without putting the mat on its end and with as few of people possible helping move the mat into and out of storage. All work must be completed by July 1, 2021. Please set-up an appointment with Mr. Cline, PRISD Superintendent to go over details and examine the area in detail.

Project Summer 2021 #2 (High Jump Pit Storage)-

The Paint Rock ISD is accepting bids from companies to provide/build a storage building on site outside the existing new track for the easy storage of the school's new High Jump Pit/Mat and equipment from the elements. The storage opening must be wide enough to easily move the mat and equipment in and out without putting the mat on its end and with as few of people possible helping move the mat into and out of storage. All work must be completed by July 1, 2021. Please set-up an appointment with Mr. Cline, PRISD Superintendent to go over details and examine the area in detail.

Project Summer 2021 #3 (Track Hurdle and Football Storage)-

The Paint Rock ISD is accepting bids from companies to provide/build/supply a storage building on school property outside the existing new track for the easy storage of the school's new track hurdles and track equipment from the elements. The building may also be used to store blocking dummies, down markers, chains,... for the football field. The storage opening must be wide enough to easily move the equipment in and out. The building must be on campus by June 1, 2021. Please set-up an appointment with Mr. Cline, PRISD Superintendent, or Athletic Director, Jeremy Wooten, to go over details and examine the area in detail.

Project Summer 2021 #4 (Cement Floor for Outdoor Pavilion)-

The Paint Rock ISD is accepting bids from companies to pour a cement floor on the 50 foot x 75 foot outdoor pavilion near the school's band hall for use as an outdoor practice area/classroom/covered play area. Construction would need to be completed between June 1, 2021, and August 1, 2021, without significant disruption to the daily running of the school and educational process. Please set-up an appointment with Mr. Cline, PRISD Superintendent, to go over details and examine the area in more detail.

Project Summer 2021 #5 (Dirt Work at the Football Field/inside Track)-

The Paint Rock ISD is accepting bids from companies to 1) Scrape existing grass and vegetation from field and haul off campus; 2) Demo concrete steps on Northeast corner of field; 3) Install catch basin extender on Northeast corner of field. Elevation to be 4 inches below track curb elevation next to catch basin. 4) Build protective crossing ramp to protect track surface for truck access. 5) Provide 5200 cubic yards of clean topsoil. Site engineering by others. 6) Grading tolerance to be plus or minus 2 inches. 7) Install and compact topsoil in 6 inch lifts. Water as needed to achieve 90% compaction. Please set-up an appointment with Mr. Cline, PRISD Superintendent, to go over details and examine the area/project in more detail.

Project Summer 2021 #6 (Engineering, Sprinkler Design, Finish Laser Grading and Grass Installation)-

The Paint Rock ISD is accepting bids from companies to 1) Layout grade stakes for site contractor; 2) Meet with site contractor and verify scope of work; 3) Laser grade entire field and prep for grass installation; 3) Design irrigation system and meet with irrigator to verify scope of work; 4) Install new big roll Bermuda grass, Tif Tuf or Latitude 36; 5) Top dress new grass with clean sand. Please set-up appointment with Mr. Cline, PRISD Superintendent, to go over details and examine the area/project in more detail.

Project Summer 2021 #7 (Install new Water Sprinkler/Irrigation System at Football Field/Track)-

The Paint Rock ISD is accepting bids from companies to build/install an underground sprinkler/irrigation system to water all of the grass on the football field and inside the track area at Paint Rock ISD. This must be done in coordination with the winning contractors on projects #5 and #6 above. Please set up an appointment for more information

.....

Please schedule an appointment for on-site inspections, to examine the specific conditions and/or to discuss the proposals with school personnel. To set up an appointment please contact Mr. Ron Cline at 325-656-0130.

All bids are due by 4pm, Monday, May 10, 2021. Bids should clearly indicate the bid proposal number as shown above. Do not combine bids. All bids should be addressed to Ron.Cline@paintrockisd.net or Ron Cline, Superintendent; Paint Rock ISD; P.O. Box 277; Paint Rock, Texas 76866 or submitted in person to Mr. Cline's Office at 698 S. Sims, Paint Rock, Texas 76866 by the due date specified. PRISD reserves the right to accept or reject any and/or all bids. All contractors must certify that they and their employees have successfully passed criminal background (fingerprint) checks. All contractors must have liability insurance and show evidence to that affect.
