August 22, 2021

Dear Parents and Guardians,

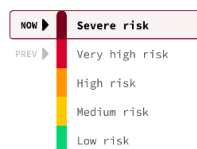

We are excited to welcome back your child to school for the 2021-2022 school year. We have both in-person learning and remote learning. As we Return to Learn we are mindful of our important responsibilities including those that we share with you. It is my sincerest desire that we work together to ensure that our school year provides exceptional learning, safety, and well-being for everyone.

We have completed our Return to Learn for Okmulgee Public Schools. The plan is located on the school website at www.okmulgeeps.com. Please take some time to sit down and read the plan paying close attention to pages 8-9 and 15-16. We will daily address instruction, health and safety, social-emotional wellness, family and community engagement and operation issues. Safety is our first priority. Every decision we make in this district will be based on what is best for our students and employees using current data and scientific evidence.

As you see below Okmulgee County is now in the Severe Risk Zone for COVID. This is one of the daily challenges we will face.

It is the team's decision to require masks on the bus and in the buildings until Okmulgee moves to the Orange/High Risk Zone. We will have masks for Monday however, parents will need to provide a mask for your student beginning Tuesday. Thank you so much for working with us through this time. I will update parents weekly concerning the mask requirement.

COVID ALERT FOR OKMULGEE COUNTY, OKLAHOMA

RISK INCREASED

on 08/22/2021

Thank you for sending your students to Okmulgee Public Schools.

Renee Dove
