November 2021

From Dr. Haven

Yá'át'ééh, Hola, & Greetings

It is unbelievable that it is now November and we are well into the 2021-2022 school year! We at Magdalena Municipal Schools have a lot to be grateful during this season of Thanksgiving. Students, staff, and parents are working hard to return to a normal school routine. I would like to take this opportunity to recognize all of our teachers and staff members who have worked really hard to make our schools a safe and enjoyable experience for your child. We believe that they have succeeded.

We should also celebrate having made it through the first quarter of this school year following COVID-19 safety protocols and still being able to maintain the same priorities for learning excellence that we as a School District have always strived for. All of us have to agree that our students and staff members have done a wonderful job in getting settled and developing positive relationships with one another. This has been a priority for all of our schools this year.

On behalf of all MMSD school board, administrators, teachers and staff, we would like to wish you a safe and enjoyable Thanksgiving holiday. If I can be of any assistance with a concern that you may have I may be contacted at (575) 854-8013 or email me at ghaven@magschools.us. Please call or email me.

Ahéhee', Gracias, & Thank you!
Dr. Glenn Haven, Superintendent

Conversations with Mrs. Clark

What a pretty fall we have had so far! I know it is one of everyone's favorite times

- Not Thanksgiving, good guess though...It's basketball season! I want to wish both the boys' and girls' teams good luck this year and look forward to some great games.

We are well into the second 9 weeks and it is important that your child stay up with their lessons. This is important for them to stay in the grade level with their peers and not come back to school behind. Being behind their classmates is hard on your child, keep them active and interested in school. Please don't make your only visit to the basketball games, make sure your children know how important each day at school is.

Thank you! Mrs. Clark 575.838.3096

Community Health & Wellness

The second health and wellness activity will be four sessions consisting of holiday inspired arts and crafts. Participants will be making wood crafts, acrylic canvas paintings for Thanksgiving and Christmas, and Christmas cards. Sessions will be held on the following Wednesdays from 6:00 - 7:00 pm in the Fine Arts Center: November 3, 10, 17, and December 1.

To ensure we will have plenty of supplies and for social distancing, we can accommodate 30 participants per session. If you would like to register for these classes, please email me or call or text Velanie Tafoya at 575-517-7445. All registrations need to be made by Monday, November 1. Emma Baca from Socorro who does painting parties will be the instructor. Please let me or Velanie know if you have any questions! All supplies will be provided, you just have to show up and paint!

Thanks!
Keri James, Federal and State Programs

Immunizations and Glasses

For students who need immunizations and eye exams, this is a reminder to make sure appointments have been made to get them updated and examined.

Once the appointments have been completed documentation needs to be returned to the school nurse.

If your appointments are scheduled after November 20th, please let the Nurse know when the appointment is scheduled. Nurse Holly 575-854-8030
