2020-2021 Ready For Learning Options

Revised October 8, 2020

The purpose of this document is to aid parents in planning their student(s) educational plan for the 2020-2021 school year. HGSD will continue to rely upon the most current guidance from the Centers for Disease Control (CDC), the Arkansas Department of Health (ADH) and the Department of Elementary and Secondary Education (DESE). Adaptations to this plan may occur as guidelines from the CDC, ADH and DESE are updated or changed.

Option 1 Traditional/Blended Learning	Option 2 Online Learning

In the event of a larger outbreak of Covid-19, the school district has plans for the continued operation of school depending on the extent of the outbreak and the directions of the DESE and ADH.

Access to technology and the use of other tools will allow the school to continue the education of students even in the event students cannot return to the building.

The school will return to normal operations as soon as the situation permits, at that time, students previously allowed optional learning opportunities under this plan will have to return to normal school activities.

Students enrolled in Virtual Arkansas (grades 9-12) will not be allowed to drop out of those courses in the event the school returns to normal operations. Virtual Arkansas courses require a commitment of at least one semester.

Students enrolled in Virtual Arkansas courses will be required to return to campus as normal at the end of the pandemic emergency, but will remain enrolled in the VA course.

Students enrolled in concurrent courses at SAU Tech must follow the schedule and policies of SAU Tech regardless of the schedule or activities taking place on the HG campus.
