

Burcham Elementary November 2021

Dear Burcham Families,
Thank you so much for your participation at your children's Parent/Teacher Conferences. Pat yourselves on the back for being active partners in your child's education.

As the cold weather settles in, we see an increase of sickness. Please remember that students should not return to school until they are fever-free for 24 hours. If your child has been diagnosed with strep throat, pink eye, pneumonia, covid, flu, head lice, etc., please call the school and let us know. If you have questions about whether or not your child is able to return to school, feel free to give us a call.

We want to honor veterans from our students and staff's families at our special Veterans Assembly. If you have family members who are veterans please invite them to attend our school assembly on the 11th of November at 9:00am at our Performing Arts Center.

November is Native American Heritage Month. This month is time to celebrate rich and diverse cultures, traditions, and histories and to acknowledge the important contributions of Native people. I encourage you to find opportunities to learn about Native American Culture with your children this month.

November is a month to take the time to show you are thankful. Let your children know how thankful you are for them. When you model thankfulness, they will see you and therefore be more thankful themselves. Parents are their child's first and most important teachers.

Sincerely,
Brooke Brown, Principal
