Safe Return to In-Person Instruction and Continuity of Services Plan

Please note: This plan is contingent upon CDC guidelines and state updates as conditions change.

Introduction:

Leary ISD is applying for CRRSA, ESSER II and ARP, ESSER III funding. The purpose of ESSER II is to prevent, prepare for or respond to the COVID-19 pandemic. The purpose of ESSER III is to help safely reopen and sustain the safe operation of schools and address the impact of the coronavirus pandemic on students. The plan that follows is intended to outline Leary ISD's planned safety measures for the 2021-2022 school year while continuing to provide an excellent educational experience.

Maintaining Health and Safety:

To reduce the risk of transmission Leary ISD plans the following mitigation strategies for the 2021-2022 school year (per current CDC guidelines):

- Proper handwashing is encouraged
- Hand sanitizer is available
- Optional wearing of masks (as written in Executive Order No. GA-36 signed May 18, 2021)
- The use of assigned seating, cohorts, and podding when appropriate to maximize social distancing
- Targeted cleaning as appropriate (especially high contact areas)
- Positive cases will be reported to the local health department
- Local vaccination sites/providers available on the following website
<https://www.vaccines.gov/search/>
- Appropriate accommodations for students with disabilities as identified in the student's Individualized Education Program

Ensuring Continuity of Services:

Leary ISD will continue to take appropriate actions to ensure continuity of services to students. These actions will focus on addressing students' academic, social, emotional, and mental health needs. Proposed plans to provide a continuity of services are as follows:

- To provide instructional materials/resources, activities, and outreach to meet the needs of students.
- To provide social and emotional/counseling, wellness support to students and professional development (training) to staff.
- To provide technology updates and improve infrastructure and connectivity.
- To provide summer enrichment opportunities to accelerate learning.
- To provide tutoring and afterschool programs to accelerate learning.
- To provide staff development to accelerate learning.

See the Leary ISD Use of ESSER III Funds Plan for further details.

Opportunity for Public Comment:

During the development of the plan, a variety of data was used from the district. Needs were prioritized based on wellness and instructional continuity. The draft plan was presented to the public through the Board of Trustees Meeting held on Friday, June 18, 2021. Staff, student, parent and community surveys were opened for input from May 18, 2021 through July 15, 2021.

Periodic Review and Revision of the Plan:

During the period in which ESSER III funds are available, Leary ISD will review and revise the plan at least every six months. These revisions will take into account parent and community feedback, as well as updated guidance from the Texas Education Agency.
