Dear Parents:

The State of Texas continues to strive to implement more rigorous student testing and evaluation. The State of Texas Assessments of Academic Readiness (STAAR) is the standardized testing program utilized to evaluate students' grades 3-12 in Texas public schools in the subjects of reading, writing, mathematics, science, and social studies. At the high school level, five (5) end-of-course (EOC) assessments must be passed by students to meet graduation requirements (Algebra 1, English 1, English 2, Biology, and U. S. History). As a parent, you can enhance your child's success by staying in contact with your child's teacher(s) and by monitoring your child's progress on daily assignments, homework, report card grades, and results on the STAAR tests.

Attached you will find a copy of the State of Texas 2019-20 School Report Card for Shelbyville School (Grades Prek-12: S. W. Carter Elementary School, Shelbyville Middle School, and Shelbyville High School). The report is required by the Texas Legislature and prepared by the Texas Education Agency. It provides information concerning student performance on the State of Texas Assessments of Academic Readiness (STAAR). The information contained in the School Report Card is required by state law and is briefly described in the enclosed "2019-20 School Report Card Definitions." State law requires that the school report card display information for the state, the district, and the school. Where possible, the information must be reported by race/ethnicity and socio-economic status of the students and must include at least two years of results. Due to COVID-19, STAAR assessments were cancelled for the 2019-20 school year. Therefore, several data points have not been updated, including STAAR and academic growth data.

The District Annual Performance Report includes: campus performance objectives, a report of violent or criminal incidents, and information from the Texas Higher Education Coordinating Board. The District Annual Performance Report will be presented at a public meeting of the Shelbyville ISD Board of Trustees on Monday, February 8, 2021, at 12:00 p.m., at the Shelbyville ISD Board Room. The District Annual Performance Report will be available for review at the Superintendent's office and at all three campus Principals' offices by February 16th. The data will also be available on SISD's website www.shelbyville.k12.tx.us. Also, a more complete report about Shelbyville School, the Texas Academic Performance Report (TAPR), is available by contacting the school or can be accessed online at: <https://rptsvr1.tea.texas.gov/perfreport/tapr/index.html>

Estimados padres:

El Estado de Texas continúa esforzándose para implementar pruebas y la evaluación de los estudiantes más rigurosa. El Estado de Texas Evaluación de Preparación Académica (STAAR) es el programa de los exámenes estandarizados utilizados para evaluar las calificaciones de los estudiantes de niveles 3-12 en las escuelas públicas de Texas en las áreas de lectura, escritura, matemáticas, ciencias y estudios sociales. En la escuela secundaria, cinco (5) exámenes del fin de curso se debe pasar para cumplir con los requisitos de graduación (Álgebra I, Inglés I, Inglés 2, Biología, Historia EEUU). Usted puede mejorar el éxito de su hijo por estar en contacto con los maestros y por el seguimiento de los progresos de su hijo en las tareas diarias, las boletas de calificaciones y resultados en las pruebas STAAR.

Adjunto a esta carta encontrará una copia del reporte de las Calificaciones Escolares del Estado de Texas 2019-2020 para Shelbyville School. Estas son requeridas por la Legislatura del Estado de Texas y están preparadas por el departamento de educación. Este reporte debe ser mandado a los padres o al guardián/mentor de cada estudiante inscrito en una escuela pública. Estas calificaciones proveen información del progreso académico de los estudiantes y también otra información sobre su escuela como el número de estudiantes, tamaño promedio del salón escolar, y gastos. La ley requiere que la información sea diseminada. Usted encontrará una breve descripción en el adjunto "Definiciones de las Calificaciones Escolares 2019-20." El reporte puede *o no* contener toda la información descrita pues el reportaje de estos datos depende de si la escuela es una primaria, secundaria o preparatoria.

La ley también manda que la información sea provista a nivel del estado, del distrito escolar, y de nuestra escuela. Esta información debe ser reportada, en tanto sea posible, por grupo étnico/raza y estatus socioeconómico de los estudiantes y debe de incluir por lo menos dos años de resultados. Puede encontrar estas calificaciones (*school report card*) en la internet bajo <https://tea.texas.gov/texas-schools/accountability/academic-accountability/performance-reporting/school-report-cards>

El Informe Anual del Distrito (que sustituyó a la Excelencia Indicador Informe del Sistema Académico) incluye: los objetivos de desempeño del plantel, un informe de incidentes violentos o criminales, y la información de la Junta Coordinadora de Educación Superior de Texas. El Informe Anual del Distrito será presentado en una reunión pública del School Board de Shelbyville ISD el lunes, 08 de febrero 2021, a las 12:00 por la tarde, en la Sala de Juntas Shelbyville ISD. El Informe Anual de Distrito estará disponible para su revisión en la oficina del Superintendente y en las oficinas de los tres escuelas por el 18 de febrero. Los datos también estarán disponibles en el sitio web www.shelbyville.k12.tx.us Usted puede obtener un reporte más completo sobre nuestra escuela en el informe del Reporte del Desempeño Académico de Texas (TAPR) ya sea que lo pida aquí en la escuela, o lo puede obtener en el internet bajo <https://rptsvr1.tea.texas.gov/perfreport/tapr/index.html>

Por favor póngase en contacto con nosotros si tiene cualquier pregunta concerniente a este reporte de calificaciones escolares. Le agradezco su constante apoyo de Shelbyville School.

Students are assessed in reading (grades 3–8), mathematics (grades 3–8), writing (grades 4 and 7), science (grades 5 and 8), and social studies (grade 8). End-of-course assessments are given for English I and II, Algebra I, Biology, and U.S. History. Due to COVID-19, this data is not updated for the 2019–20 year.
