II. CONSIDER AND POSSIBLE ACTION CONCERNING SEXUAL HEALTH PROGRAM
   After much discussion concerning the two presentations at the last meeting, Pam Tart proposed that the committee preview the Aim For Success program. The program had been presented in GISD in years past. The cost of the program is $1600.00 for a presentation to 5 grade levels. The committee decided to pursue further research of the Aim For Success program and would consider voting for the program pending our approval after viewing, budget approval and implementation in the 2019-2020 school year.
