August 4, 2020

Dear Parents,

Kinta Public Schools holds our student's health and safety as a top priority. Therefore, upon enrollment you will receive guidelines that will need to be followed as our students return to school for the 20/21 school year. The Kinta Board of Education has met and approved the following policies in regards to Covid-19 for students, faculty and staff.

The Kinta Board of Education highly recommends the use of mask, however has decided that masks will be optional at school. Mask and face shields have been purchased and will be available, nevertheless it will be a parent decision as to whether their child should or should not wear masks during the school day. Due to this consideration no parents or outside persons will be allowed in the building. If you need to make contact with the school, pick-up students or do other business with the school please contact 918-768-3338 and someone will meet you at the front door.

The Kinta Board of Education also highly recommends the use of mask for Faculty and Staff but has determined that Faculty and Staff will be allowed to choose for themselves individually regarding the wearing of mask/face shields during the school day. However, all cafeteria personnel will wear mask/face shields at all times when preparing or serving foods.

Kinta Public Schools' staff, teachers, administration and board of education appreciate your willingness to continue to entrust your child's education to us. We are dedicated to providing the highest quality education possible while also maintaining a safe environment during these uncharted times. Should you have any questions please feel free to contact the school at 918-768-3338.

Sincerely,

A handwritten signature in cursive script that reads "Patricia DeVille". The signature is written in black ink and is positioned above the printed name of the Superintendent.

Patricia DeVille, Superintendent
Kinta Public School
