Welcome Letter from Mr. Stone

Dear Colwich Elementary-Middle School Students and Parents,

I look forward to seeing our students back in the building August 19 interacting with other students and staff. There has been a lot of activity in the building this summer in preparation for an exciting 2021-2022 school year.

School will begin at 8:05 a.m. and will dismiss at 3:27 p.m. The doors will open at 7:55 a.m.

To mitigate the spread of Covid-19, there are several procedural changes addressed below. Students are encouraged to communicate with their teachers and administrators about any concerns with these procedural changes. We ask families to keep their student home if symptoms of illness are known.

Masks are not required. They are optional if students and staff choose to wear them.

Masks will be required on all USD 267 vehicles per federal mandate.

Protocols are in place for students to regularly wash their hands and/or use hand sanitizer. The school will provide these products but we recommend that students carry a small bottle of hand sanitizer that is at least 60% alcohol and does *not* contain methanol. We will practice social distancing when possible.

Three entrances will be used at the beginning of each school day. Kindergarten will enter the door by South Gym. Grades 1-5 will enter the front lobby door by the office. Grades 6-8 will enter the South East door between 3-5 hallway and middle school. After 8:05 a.m. all students, except PSR, need to enter the front office door. Parents will not be allowed to escort students to their classrooms.

Pre-K students will enter their individual classroom door on the West side of the building.

With the addition of a childcare facility on-site, be mindful of increased traffic on the west side of school.

Breakfast will be offered at each entrance. Students will eat in the classrooms. Both breakfast and lunch are free again this year with the exception of extra milk, milk with a sack lunch and supersize entrees and sides for middle school students.

There will be no public water fountains, only water bottle filling stations. Students should plan to bring a water bottle with a cap or lid and be sure that it is labeled.

If you have any questions or concerns about anything school related, please feel free to contact the school office at any time. Again we look forward to an exciting 2021-2022 school year.

Sincerely,

Tige Stone, Principal

School Arrival

Help keep our school safe!

Morning Arrival at CES

- Three entrances will be used at the beginning of each school day. Kindergarten will enter the door by South Gym. Grades 1-5 will enter the front lobby door by the office. Grades 6-8 will enter the South East door between 1-5 hallway and middle school.
- Preschool students will enter their individual classroom door on the West side of the building.
- Grab-n-go breakfast will be provided at the doors and will be eaten in the classroom.
- Doors will open at 7:55. No entry before that time.

School Dismissal

Dismissal

Due to safety concerns, we are making some changes to our dismissal routine. **Car riders:** Students who get picked up dismiss to the south gym doors. Parents are to enter the lot from Breese Street, south of the school, and form a single file line. Please exit onto 53 Street N. After 3:00 the west entrance will be one-way, northbound ONLY. Parents may no longer pick up children in front of the school between 53rd Street and Breese. **K-8 parents: No parking in stalls is allowed in west parking lot.** Preschool parents need those spots for picking up their children.

Please yield to buses dropping off and picking up students at any time.

Walkers & Bus Riders: Dismissed on Marian Street in front of the building.

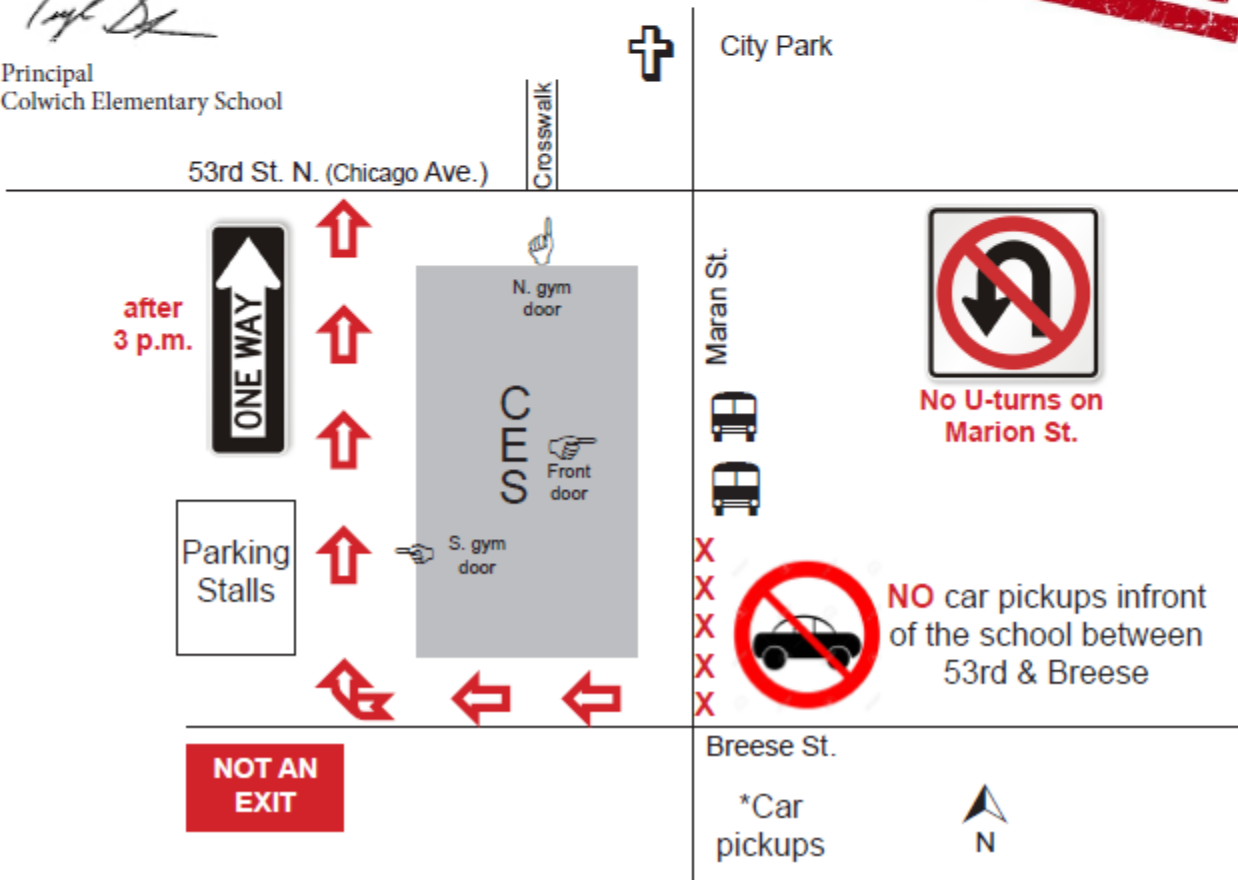

Additional option for 3rd-8th graders: Use the crosswalk north of the building and get picked up at the Church or City Park. Older siblings may take younger siblings. Students may also meet parents S. of Breese St. on Marian.*

NO U-turns on Marian Street.

If your dismissal plans change, please call the office so we can direct your child/children to the correct area. 316-796-1331. Please make sure anyone picking up your child/children knows where to go and what to do.

Thanks,

Principal
