We are off and running for the 2021-2022 school year! All in all, we are having a great year, but we have had some bumps in the road. We do ask if your student has symptoms of illness that you please keep them home. We have taken a look at things we are doing and made more adjustments this week to do the best we possibly can for the safety of our students and to limit students from being close contacts. Unfortunately, we have seen firsthand how infectious the virus can be this year, and even doing our best we will still have some adversity. We are always thankful to our parents and families for being willing to work with us as we navigate these ever-changing waters through the year.

Colwich Elementary School is looking to hire one classroom para educator. Please email [tige.stone@usd267.com](mailto:tige.stone@usd267.com) for more information or apply online at:
