

ACT PREP

*Free
Class!*

4.

NOVEMBER 8 & DECEMBER 6

This free course will help to prepare any student who is interested in bettering their ACT score. Melanie Thomas will guide students through released ACT tests to demonstrate how to work through problems, answer questions, and offer students test taking tips. Students should bring pencils, paper, and an ACT approved calculator to the training. The class will be held from 5:30 - 8:30 PM in the Kiamichi Tech Math Lab.
