Subject: Viewing Student Results in the Parent Portal

Greetings Families,

Preliminary reports for the OSTP and CCRA tests will be released to the Parent Portal on June 30, 2021

All parent portal accounts have been reset for spring 2021. This means to view your student's results in the parent portal, all families will need to register at the below link with their student's state ID number and date of birth starting on June 30, 2021. Please call the Elementary or High School office for the student's state ID number.

- **OSTP Parent Portal:** <https://okparentportal.emetric.net>

Users will enter the student's State ID and Date of Birth, then click go. Then users will enter their email address and create a password for accessing the portal. Please contact Keota Public Schools with any questions or concerns.

Thank you,

Candice Dominguez, Counselor
